

PHOTOGRAPHY GUIDELINES

In order to utilize images across a variety of mediums, we request the following guidelines are closely considered for your photography submissions:

- Images submitted must be as large as possible. Low resolution images are OK for submission, but a high resolution file (300 dpi) will be requested in order to fully consider the image for use.
- File type: png or jpg. HEIC files from iPhone are also acceptable.
- Images that are blurry or pixelated will not be considered. Please be certain your selected images are clear and high resolution.
- Submitted images must be from past OBP trips from your Off the Beaten Path travels in the past seven years.
- Image content can include any of the following:
 - Travelers
 - OBP Guides
 - Landmarks
 - Landscapes
 - Monuments
 - Points of interest
 - Wildlife
 - Uniquely OBP moments
- If you have participated in previous OBP image promotions, please refrain from submitting the same images you submitted in past years.

For details on usage and compensation, please review our Image Use Agreement.
